

COMMUNITY INFO-TEL DIRECTORIES' MANY ACCOMPLISHMENTS

Bonnie Derry, owner and CEO of Community Info Tel Directories, was, for the sixth year in a row, ranked in the top 100 Canadian Women Entrepreneurs by "PROFIT Magazine: Your Guide to Business Success". This ranking is determined by the firm's annual revenue, profitability and growth.

Bonnie's accomplishments have been featured on the front cover of the Okanagan Business Journal and both CHBC and Global TV have aired interviews profiling Bonnie and her company. The Greater Vernon Chamber of Commerce and the Vernon Morning Star Newspaper also carried articles of Bonnie's success.

Bonnie is a graduate from City University, Seattle, Washington with an MBA. As a result of her extensive research and experience in the business, the company has become a standard of excellence in the directory publishing industry by providing quality that has been tailored to the advertiser and the end users. In 1996 Bonnie Derry seized the opportunity to purchase a failing business and held fast to her belief that if you have the best product in the marketplace, success will find its way to you. Info-Tel Directories is truly a success story, which is evident from the many awards the Company has received over the years from the [Canadian Independent Directory Association](#) as follows.
