

Testimonial

This past year was my first year advertising in the InfoTel Directory. I reduced my ad in Telus from a DQCC to a QC, and invested my savings into the InfoTel Directory. These were the only changes I made to my advertising the whole year.

Since the InfoTel book came out my calls for blow-outs doubled. I must say that choosing to advertise with InfoTel was a very profitable decision for my business.

Attn: Jacob Kuchta,

This past year was my first year advertising in the InfoTel Directory. I reduced my ad in Telus from a DQCC to a QC, and invested my savings into the InfoTel Directory. These were the only changes I made to my advertising the whole year.

Since the InfoTel book came out my calls for blow-outs doubled. I must say that choosing to advertise with InfoTel was a very profitable decision for my business.

Thank you,

Dianne York
Owner

Keep cool in the hot summer days with a patio cooler misting system
